Credits: 3(Lec: 2 Lab: 1.8 Clinical: 1.2)

Owens Community College Nurse Assistant Training Course (STNA) is an Ohio Department of Health approved training course that prepares the student to perform basic patient care in Long Term Care facilities, hospitals, hospice centers and home health settings. This is a mandatory training course for Ohio Nurse Assistants who work in Long Term Care. This course prepares the student to take the Ohio Competency Evaluation Exam. This 75 hour course includes 16 hours of clinical training and 59 hours of lecture and skill laboratory practice.

Co-requisites: NONE

Prerequisites: NONE

Students with intentions of only taking the STNA course are not eligible for federal, state, or institutional financial aid. If students would like to take only the STNA course, they could be eligible for private alternative loans.
