

Owens Community College

Auto Advisory Committee Meeting

Date: March 28, 2012

Location: CEP 112

Industrial Attendees: Bob Kazmierczak, David Marrufo, Kurt Michael, Mark White, Ed Meggit, and Matt Hoffman

Student Attendees:

Owens Attendees: Randy Wharton, Tracy Campbell, Belinda Barr, Jacey Campbell, Stanley Paige, Belinda Barr, and Cheryl Garlow

Topic	Discussion/Rationale	Recommendation/Decision/Action
Welcome and Introductions	<ul style="list-style-type: none"> Chairman Tracy Campbell welcomed committee members and expressed appreciation for coming. He was the meeting facilitator. 	
Search For Chairman	<ul style="list-style-type: none"> We are searching for a Chairman on the Owens website. 7 applicants originally. 	<ul style="list-style-type: none"> Please refer to the website, https://jobs.owens.edu, if you know of anyone who may be interested.
NATEF/ASE Accreditation	<ul style="list-style-type: none"> Late 2013 or 2014 reaccreditation process. On-site evaluation. NATEF will tell us what we need to teach classes. Everything on the syllabi must be covered. There are 4 areas in high school: breaks, alignment, engine, and performance & electrical. Certified 1080, now 980. High schools are certified through NATEF. N.W. Ohio Tech Prep is not going anywhere. 	
Student Report	<ul style="list-style-type: none"> No students in attendance. 	
Articulation Agreements	<ul style="list-style-type: none"> Work with high school tech prep students in technology grant. Credit to students knowing what they receive from high school. State initiative, state wide agreement as well. Criteria schools need to meet, we do not want to set students up for failure. Tech prep issues with finding scholarship still available. We want the best students. Working with tech prep program, cut down people considerably. Tom Owens is the contact person at Owens. 	<ul style="list-style-type: none"> Saving student \$1500. Walk out with an associate degree \$7000, \$8000. Get out of school quicker, strong point for students.
Course Review	<ul style="list-style-type: none"> AUT 110 – Service Fundamentals and AUT 113 – Automotive Brakes New class -101. Entry level class. Career job search. Requirements touching on ethics, writing resumes,

Auto Advisory Committee Meeting

	<p>interview skills, and professional dress.</p> <ul style="list-style-type: none">• QCT 105- Ethics, professionalism, and diversity. Learn how to deal with difficult situations in life. How to behave in the workplace.• Tracy will email copy of QTC 105 to everyone. We will discuss this at the next meeting.• We are covering major issues in our classes. Working with salvage yards to get parts to prepare students for how it works.• Students need to know how to do diagnostics.• Do most students have a job before they leave school? They are working at tire shops.• Tracy stated his students are at supplier stores.• Mark stated that entry level classes he teaches do not have a job in the industry. He sees that many people have lost their jobs.• Graduation rate is roughly 40%. A lot of students are getting jobs and not returning. On an average we don't have any true numbers on this.• We don't have enough space for more classes. Money we need is not going to come from the state to fund more classes.	
Other	<ul style="list-style-type: none">• Automotive/ASEP will be on the other side of the street. Caterpillar/Diesel stays where it is. We have the potential to make it happen. We just need the funding.• Auto Skills will be held on May 9 and 10. Competition will be held at OCC, This is a state wide event.• Nick Shultz is the competition Manager.• May 9- Banquet will be held at OCC.• Top 10 teams in the state.• April 5 - Lincoln Motorsports Night will be held. There will be dragsters, motorcycles, and sprint cars. The event is associated with AWS and Lincoln Electric.
