## Wide Area Networking Major Advisory Meeting

Date: November 3, 2006

Location: Owens Community College, LE 145-147

Industrial Attendees: Michael Bayes, Craig Browne, Steve Byerly, Steve DeLonge, Steve Hanendrath, Bob Hanna, Bob Harold, Sri Kolla, Scott Loehrke, Chuck Lupien, Dan Niedzwiecki, Jim Olzak, Jeff Osthimer, Tim Pflleghaar, John Rust, John Schwarzkopf, Mike Sparks, Dave Thompson, Jeff Wagner

Student Attendees: Abe Sachs, Chris Stroll, Brad Taylor, Jason Young

Owens Attendees: Guenter Brunner, Mark Durivage, Lynn Kendall, Tom Mahas, Nerur Satish, Bill Shepherd, Paul Svatik, Don Szymanski, Jay Taylor, Dan Wedding; Advisor-Stan Paige

Topic	Discussion/Rationale	Recommendation/Decision/Action
Call to Order and Review of Previous Minutes	<ul style="list-style-type: none"> <li>• The meeting was called to order at 12:30 p.m. by Chairman Bob Hanna</li> </ul>	<ul style="list-style-type: none"> <li>• Minutes of the previous meeting can be viewed on the Owens web site and will be approved at the spring meeting.</li> </ul>
Enrollment and Retention Report	<ul style="list-style-type: none"> <li>• Overall EET Department enrollments for this fall have shown a slight decline compared to last fall.</li> <li>• WAN program enrollment is 35 students, down 12 from last fall.</li> <li>• More students are being served through courses such as EET 130 that are offered as traditional and hybrid web.</li> <li>• The on-campus presence of professional organizations such as OCEA and CANWO provide students with networking opportunities.</li> </ul>	<ul style="list-style-type: none"> <li>• Dean Durivage is campaigning to get a full-time advisor to reside in the IET building to better serve students.</li> <li>• Targeted marketing toward high school Tech Prep students is being implemented.</li> <li>• Off-site courses to reach industrial/health care partners are being developed and delivered.</li> <li>• Articulation agreements with high schools and universities are being improved.</li> <li>• The EET Department will provide job shadowing opportunities whenever it is possible.</li> </ul>
Faculty Report	<ul style="list-style-type: none"> <li>• Jay Taylor reported that he was very impressed with Howard Charney, Executive VP of Cisco Corporation, who was the keynote speaker at the CISCO executive briefing in Cleveland. Presentations included Cisco Self Defending Network, Petabyte Storage, Cisco Wireless Strategy, and Voice Over IP.</li> <li>• The number of wireless access points, routers and pix boxes have been increased in the lab.</li> <li>• The basic networking course is now being offered on-line. This is a blended course where students come in five times during the semester to complete the lab portion.</li> <li>• Jay Taylor is in the process of developing a certification in the area of digital forensics and data assurance. He will discuss this further at the spring advisory meeting.</li> </ul>	<ul style="list-style-type: none"> <li>• Jay Taylor has developed a three day Networking for Biomedical Professionals course (24 hours) for 1.5 credits at \$123/credit hour. This course is not just for Biomedical people, but anyone who is interested in the basics of networking. Contact Jay Taylor, Paul Svatik, or Nerur Satish for more information.</li> </ul>
