

A central graphic for a Transfer Fair. It features a large red circle with the text "TRANSFER FAIR" in white. This central circle is connected by red lines to several smaller red circles, each containing a white icon: a square with an L-shaped corner, a double left arrow, a double right arrow, a double down arrow, and a double up arrow. There are also several circular inset photos: a hallway with columns, a student in a library, a large Gothic-style building, a student group meeting, and students walking on a campus. The background is a textured grey with scattered colorful dots and triangles.

TRANSFER FAIR

Tuesday, October 22

Heritage Hall 123, 11 a.m. - 1 p.m.

Meet with representatives from four-year colleges and universities to discuss where your Owens education can take you. Advisors will be available to help with career/major exploration, degree evaluations and general transfer/transferology information.

For more information, please call (567) 661-2387 or visit www.owens.edu/transfer.
