

1. Click the plus sign (+) on the conference box to add the conference to your schedule.

Note: You *must* add the conference to your schedule before adding breakout sessions. If you add breakout sessions before adding the conference, you will receive an error message and will not be allowed to register for the breakout sessions.

3. Click the Register button once you are done selecting sessions.

You will then be instructed to create a new account to finalize your registration process.

The screenshot displays a web application interface for building a schedule. At the top right, there are links for 'Sign In' and 'Help'. Below this is a navigation bar with 'Home', 'Schedule Builder', 'Manage Registration', 'Saved Plans', and 'My Profile'. A search bar is located below the navigation bar. The main content area is divided into two sections: 'Search Results' on the left and 'Schedule Builder' on the right. The 'Search Results' section shows a list of 10 classes with details like course ID, title, location, and seats. The 'Schedule Builder' section features a grid with days of the week as columns and time slots as rows. A legend indicates 'Current' (blue) and 'Registered' (green) sessions. A red arrow points to the 'Register' button at the bottom right of the interface.
