## FALL 2011 Calendar of Events

### *Center for Professional Learning & Leadership (CPLL)*

#### FREE WEBINARS FOR TEACHING & LEARNING

Webinar viewings are available in the  
Center for Professional Learning & Leadership, CH 158A

*(Webinars can also be accessed from your home  
or office, please contact [fdc@owens.edu](mailto:fdc@owens.edu) for details)*

#### **Increasing First-Year Student Engagement and Success In Community Colleges**

Thursday, August 25 ~ 3:00-4:30 p.m., Center for Learning & Leadership, College Hall, 158A

Speakers: Thomas Brown , Margaret C. (Peggy) King, Patricia Stanley

*This session provides an overview of ideas and models that can assist and support community college educators to create more accessible, unified, and effective first-year programs. It highlights the development of cross-discipline and cross-service interactions that will enhance efforts to promote and document student success.*

#### **Connecting to the Four Personality Styles in the Classroom**

Tuesday, September 20 ~ 4:00 p.m., Center for Learning & Leadership, College Hall, 158A

Speaker: Tom McDermott, M.S.O.L., General Education Instructor, Pittsburgh Technical Institute

*This webinar will help you see your class with "new eyes" so that you can appreciate the diversity in your classroom and use it to your advantage to meet course objectives.*

#### **Clay Austin: Getting Students Engaged in Critical Thinking**

Tuesday, October 4 ~ 1:00 p.m., Center for Learning & Leadership, College Hall, 158A

Speaker: Clay Austin, TeamUP Faculty Consultant

*This session will help you simplify and energize critical thinking in your classroom. We will share ideas, examples, and activities to demonstrate methods that can be adapted for use with any subject matter to help develop students' critical thinking skills.*

#### **Creative Thinking Through Technology: 5 Strategies to Promote & Support Critical Thinking**

Wednesday, October 19 ~ 1:00 p.m., Center for Learning & Leadership, College Hall, 158A

Speaker: Kiala Givehand, Ed.S, General Education Instructor, Rasmussen College

*In this webinar, we will explore several tools that supplement any course and provide creative options for critical thinking practice. We will discuss the five foundational elements of critical thinking and review technology tools that help students achieve success.*

## FALL 2011 Calendar of Events

### *Center for Professional Learning & Leadership (CPLL)*

#### **Who am I?: A Profile of the Developmental Student**

Thursday, October 20 ~ 4:00 p.m., Center for Learning & Leadership, College Hall, 158A

Speakers: Maggi Miller, TeamUP Faculty Programs Manager and Chris Gilmer, TeamUP Faculty Programs  
*This webinar involves a conversation about the characteristics of students who come to college and then are labeled "developmental." The speakers will describe some commonly held beliefs about these students and then explore what the research says about the reality.*

#### **Joel English: Academic Community-Building within Social Networks: Improving Retention and College Life Online**

Thursday, October 27 ~ 1:00 p.m., Center for Learning & Leadership, College Hall, 158A

Speaker: Joel English, Centura College  
*For Developmental Studies and College Success Educators and Administrators*  
*Dr. Joel English will demonstrate how social networking can become a natural part of the student life experience and ultimately lead to higher retention rates among students.*

#### **Engaging and Active: Best Practices for Active Learning**

Thursday, November 17 ~ 4:00 p.m., Center for Learning & Leadership, College Hall, 158A

Speakers: Jennifer Hurd, TeamUP Faculty Programs and Rochelle Beatty, Senior Consultant  
*Join this webinar, and receive some tried-and-true active practices you can incorporate into any course with any text. Create a more active class, increase excitement, and notice your students become more motivated and engaged than ever before!*

### **Banner Navigation Workshops**
