What's in Your Future?

Career Center
CH 151

Finding that right career is not an easy task.

Myths abound and many follow only to end up in a not so perfect career fit.

An excellent article, "Career Myths and How to Debunk Them" can be found in the Fall 2005 issue of The Occupational Outlook Quarterly or online at <http://www.bls.gov/opub/ooq/2005/fall/art01.pdf>.

This article will give you ways to look at the future with a more realistic attitude. It identifies ways to expand your career options, what sources to use in getting the real truth, and who can help you.

One *Myth* that students believe is: My job has to match my college major or vocational training.

Fact: There are more careers that do not follow the course of a specific major...
