

3358:11-3-62 Residency determination.

- (A) Purpose. The residency status of each student determines tuition surcharges to the student and the college's subsidy payments.
- (B) Guidelines.
 - (1) The residency status of each student is determined during the admissions process based upon the information available to make that particular decision.
 - (2) This decision is revocable, but the student must appeal through the residency review process.
 - (a) The completed petition is reviewed by the residency review committee for final determination by the residency officer.
 - (b) This process must be completed prior to the beginning of classes for the semester being petitioned.

Effective date: March 5, 2002
