

APPENDIX VII

3358:11-2-02 Early admission policy.

(D) Purpose. Early admission enables high school students to experience college-level coursework, supplement their high school curriculum, enjoy courses of special interest, and/or accumulate college credit. Coursework may be applied toward a program at the college or be transferred to another college or university according to that institution's transfer policy as well as the guidelines established by the office of the provost of Owens community college. Guidelines for early admission are in the online college catalog on the Owens community college web site.

~~(E) Program requirements/stipulations:~~

~~(1) High school students may obtain early admission to Owens Community College under two different programs: early admission and post-secondary enrollment options program. There are several important differences between these programs, including funding sources.~~

~~(2) Students currently enrolled in high school must submit the written consent of their high school guidance counselor or principal, college application, and high school transcript. To be successful, early admission requires pre-admission advising. Students are required to meet with the Owens advising center staff prior to registration.~~

~~(3) Applicants eighteen years of age and under who have not graduated from high school or are not currently enrolled in high school must meet with an Owens admissions representative prior to registration. Applicants also are required to meet with an Owens advisor who will contact the high school the applicant last attended.~~

~~(4) All early admission students must achieve certain scores on the Owens Community College placement test for placement into college-level coursework. Early admission students must achieve college-level scores on the reading, writing, and math assessments. Applicants may waive COMPASS if their ACT scores are Math 20, Reading 22, and English 21 or SAT scores are Math 425 and Verbal 425.~~

~~(5) Advanced standing may be granted by articulation, proficiency examination, credit waiver or credit transfer.~~
