

# Beer Appreciation

## HOMEBREWING 101, HOW TO HOMEBREW BEER

Do you like beer? Have you ever wanted to learn how to brew your own at home? Do you already homebrew, but would like to brew better beer. How to homebrew beer will cover the three main homebrewing methods: extract, partial mash, all grain. How to brew beer at home, how to brew better beer and how to evaluate your beer will all be covered. This course is perfect if you have never brewed or have a few batches under your belt. Instructor: Scot Yarnell
